Statement of Terms for Temporary Workers
(Contract for Services)

1. In these terms of engagement:

   a) "Assignment(s)" means the temporary services and period during which you are supplied to render services to the Client.
   b) "Assignment Statement" means the statement of terms for any specific Assignment.
   c) "Client" means the person, firm or corporate body requiring the services of the Temporary Worker together with any subsidiary or associated company as defined by the Companies Act 2006.
   d) "Data Protection Legislation" means (a) any law, statute, declaration, decree, directive, legislative enactment, order, ordinance, regulation, rule or other binding restriction (as amended, consolidated or re-enacted from time to time) which relates to the protection of individuals with regards to the processing of personal data to which a party is subject, including the Data Protection Act 2018 ("DPA"), the General Data Protection Regulation (EC) 2016/679 (the "GDPR") and all legislation enacted in the UK in respect of the protection of personal data; and (b) any code of practice or guidance published by the Information Commissioner's Office (the "ICO") (or equivalent regulatory body) from time to time;
   e) "Temporary Worker" means you or your who is party to this Agreement.
   f) "Type of Work" means the type of work Unitemps would expect to supply for you as the Temporary Worker. All Unitemps Assignments are advertised via vacancy notices on the Unitemps website and your application to any of these online will be deemed to indicate your interest in being supplied for that Type of Work. The Type of Work for each Assignment will be confirmed in the Assignment Statement.
   g) "Unitemps" means we, us or our, who are an employment agency and employment business of Salford Professional Development Limited, c/o legal services, Maxwell Building, The Crescent, Salford, Greater Manchester, England, M5 4WT – a subsidiary company of the University of Salford.

2. These terms together with the Assignment Statement constitute the entire agreement ("the Agreement") between you and us and supersede any previous agreements or understandings.

3. Where you are offered (and you accept) an Assignment with us, you agree that this Agreement governs each individual Assignment undertaken by you. If you decline to accept any Assignment or do not attend work for any reason during an Assignment, no contract shall exist between you and us. You accept that each offer of Assignment by us shall be treated as an entirely separate and severable Assignment and that there shall be no relationship between you and us after the end of one Assignment and before the start of any subsequent Assignment.

4. There is no obligation on our part to offer you, or to consider offering you, an engagement or

Assignment and there is no obligation on your part to accept any engagement or Assignment offered. Any engagement or Assignment will be of a temporary nature and we do not and cannot guarantee any further engagement or Assignment once it has ended. If you wish to be considered for further engagements or Assignments we encourage you to apply for them via our website.

5. If you are successfully placed in an Assignment with one of our Clients, you will be engaged under a contract for services for the duration of that Assignment. This Agreement or any Assignment does not give rise to a contract of employment between you and us or between you and the Client with whom you are placed. You will also be entitled to work for yourself or for any other person or business, as an employee, worker, consultant or for yourself, provided it does not conflict with your work on any Assignment. You will be a "worker" under the Working Time Regulations (see clause 11).

6. If you are successfully placed in an Assignment with one of our Clients, the Client may access your references, which will have been provided to us.

7. The Assignment Statement supplied to you at the commencement of each Assignment will set out:

   a) The identity of the Client and if applicable the nature of their business.
   b) The Type of Work (this will correlate with the advertised vacancy notice on the Unitemps website for which you may have submitted an online application), location and hours you are likely to be required to work.
   c) Any risks to health and safety known to the Client in relation to the Assignment and the steps the Client has taken to prevent or control those risks.
   d) What experience, training, qualifications, and any authorisation required by law or a professional body, that the Client considers necessary or which are required by law to work in the Assignment.
   e) The date the Assignment is to commence and wherever possible its likely duration. The very nature of temporary work, however, means that its duration can often be unpredictable and will depend on Client need. We will of course endeavour to give you as much notice as possible of any decision to end an engagement. You acknowledge that the nature of temporary work means there may be periods when no suitable work is available and you agree that we shall not incur any liability to you if we do not offer you opportunities to work, and that no worker contract shall exist between us and you during periods when you are not working on an Assignment.

8. The Assignment Statement, notified to you on a per Assignment basis, will set out what hourly rate of pay you will be entitled to receive. This will never be below the Statutory Minimum Wage. The relevant hourly rate of pay will be advertised on the vacancy notice on the Unitemps website and will be reconfirmed to you at the outset of each Assignment for which you are engaged. You will receive other enhancements to your pay, for example

overtime or expenses, only if they are contained in the Assignment Statement or otherwise agreed in advance with the workplace manager at the Client. During the course of an Assignment, you may be invited to attend training, social or celebration events along with employees of the Client with which you are placed. Such invitations do not affect the status of the contract for services between you and Unitemps, under which the Assignment operates, therefore despite such invitations you will not be deemed to be a temporary employee of the Client.

9. Once you have signed appropriate payroll documentation, Unitemps makes payment to you by direct transfer into your bank account on a monthly basis, payable on the last working day of each month. Unitemps will notify you of your payment schedule at the outset of your Unitemps assignments. Timesheets for work undertaken the previous week via Unitemps must be submitted for approval by your workplace manager by Monday lunchtime of the following week. Unitemps is required to make deductions in respect of PAYE pursuant to Sections 44-47 Income Tax (Earnings and Pensions) Act 2003, Class 1 National Insurance Contributions and any other deductions which it may be required by law to make. Payslips can be collected from your local Unitemps office or arrangements can be made to post these out to you.

10. You will need to submit timesheets by Monday 12 noon for any work undertaken in the previous week. This is done by logging in to the Unitemps website, going into your current job, adding a timesheet and entering the relevant hours. Your workplace manager will then confirm these hours with us. You also have the capacity to print out a copy for your own records. Please submit timesheets as soon as possible after work has been completed so that we can ensure you are paid promptly and our Clients are billed appropriately. For the avoidance of doubt and for the purposes of the Working Time Regulations, your working time shall only consist of those periods during which you are carrying out duties or activities on behalf of the Client as part of the Assignment. Time spent travelling to the Client's premises, lunch breaks and other rest breaks shall not count as part of your working time for these purposes, unless otherwise agreed. Any queries or discrepancies should be notified to your local Unitemps office as soon as possible to enable investigation with our Client. Unitemps will investigate without undue delay any situations arising whereby timesheets submitted by the Temporary Worker fail to be approved by the Client and will endeavour to keep to a minimum any delay in payment for hours actually worked. Once verified, Unitemps will pay the Temporary Worker for all hours worked regardless of whether Unitemps has received payment for these hours. No payment shall be made for hours not worked.

11. Under the Working Time Regulations 1998, you are deemed a "worker" and are entitled to 28 days paid leave per annum (pro rata) inclusive of statutory and public holidays up to and including 12 weeks service. After 12 weeks of service, additional contractual holiday entitlement may also accrue dependent on the holiday entitlement of the Client.

    a) Your entitlement to holiday leave accrues with each hour that you work on any Assignment. The Unitemps holiday year runs from 1 August through to 31 July. Holiday

entitlement cannot be carried forward to future holiday years.

b) If you wish to take holiday, you will need to agree in advance any holiday periods with your workplace manager, giving the required period of notice as specified by them.
c) Your entitlement to payment for annual leave accrues in proportion to the amount of time worked on Assignment during the pay period at the rate of 12.07% and will be paid out automatically with payroll.
d) Under the Agency Worker Regulations, on completion of the qualifying period set in the regulations you may be entitled to paid annual leave in addition to your entitlement to paid annual leave under the Working Time Regulations and in accordance with clauses 11(a) and 11(b). Your entitlement to payment for additional annual leave accrues in proportion to the amount of time worked on Assignment and will be paid out automatically with payroll.
e) The amount of payment which you will receive in respect of periods of annual leave accrued during an Assignment will be calculated in accordance with and paid in proportion to the amount of annual leave you have accrued whilst on the assignment. This will be based on the number of hours which you have worked on Assignment.
f) Where a bank holiday or other public holiday falls during an Assignment and you do not work on that day, the bank or public holiday is counted as part of your paid annual leave entitlement.
g) None of the provisions of this clause regarding paid leave entitlement shall affect the status of the contract for services between you and us.

12. You may be eligible for Statutory Sick Pay provided that you meet the relevant statutory criteria. If you wish to claim SSP you will be expected to complete a Self-Certification Form to cover the first 7 days of absence and thereafter must supply a doctor's certificate. These should be sent to your local Unitemps office. If for whatever reason you are unable to attend work, you must telephone your workplace manager at the Client and/or your local Unitemps office as soon as possible but no later than one hour minimum before your shift is due to start.

13. Whilst undertaking Assignments, we expect you to adhere to professional standards of conduct, respecting confidentiality of any information you come into contact with and keeping both Unitemps and your workplace manager at the Client fully informed of any problems encountered. You are not obliged to accept any Assignment we offer, but if you choose to do so, during every Assignment and afterwards where appropriate you will:

    a) Co-operate with the Client's reasonable instructions and accept the direction, supervision and control of any reasonable person in the Client's organisation.
    b) Observe any relevant rules and regulations of the Client's establishment (including normal hours of work) to which attention has been drawn or which you might reasonably be expected to assent.
    c) Take all reasonable steps to safeguard your own health and safety and that of any other person who may be present or be affected by your actions on the Assignment and

comply with the health and safety policies and procedures of the Client.

d) Not commit any act or omission constituting unlawful discrimination, harassment, sexual harassment or victimisation of any person, including (without limitation) any member of Unitemps staff, the Client's staff, other workers, contractors, customers, visitors or members of the public. You must also comply with all applicable equality, dignity at work, anti-bullying and anti-harassment policies and procedures of the Client, including any policies relating to the prevention of sexual harassment and cooperate with any investigation into alleged misconduct.
e) All intellectual property conceived or made by you (either alone or with others) in the course of any Assignment will belong to the Client and you must assign all interest in any such intellectual property to the Client or its nominee.
f) If requested to do so, you must execute any documentation which the Client may deem necessary to give effect to this provision.
g) Not engage in any conduct detrimental to the interests of the Client or Unitemps.
h) Not at any time divulge to any person, nor use for his or her own benefit, any confidential information relating to the Client's or Unitemps' employees, business affairs, transactions or finances.
i) On completion of the Assignment or at any time when requested by the Client or us, return to the Client (or, where appropriate, to us) any Client property or items provided to you in connection with or for the purpose of the Assignment, including, but not limited to any equipment, materials, documents, swipe cards or ID cards, uniforms, personal protective equipment or clothing.

14. If, either before or during the course of an Assignment, you become aware of any reason why you may not be suitable for an Assignment, you shall notify Unitemps without delay.

15. As you are engaged under a contract for services, there are no disciplinary or grievance procedures of the Client (other than general rules of the Client - see clause 13) or Unitemps which apply to your engagement under this Agreement or under any Assignment. However, any concerns you have about your Unitemps Assignment should be put in writing to the Branch Manager, Unitemps, University House, Peel Park Campus, University of Salford, Greater Manchester, M5 4WT, for investigation. The Client will be entitled to terminate an Assignment immediately for any reason (see clause 16).

16. Termination:

a) Unitemps or the Client may terminate this Agreement or any individual Assignment at any time without prior notice or liability.
b) You may terminate this Agreement or any individual Assignment at any time without prior notice or liability.
c) If you do not inform the Client or Unitemps should you be unable to attend work during the course of the Assignment, in accordance with Clause 12 above, this will be treated as your termination of the Assignment unless you can show that exceptional circumstances

prevented you complying with Clause 12.

17. Unitemps reserves the right to remove from its register anyone found to have engaged in violent, abusive or insulting behaviour towards any member of Unitemps staff or those of its Clients. Where we are aware that a Temporary Worker is engaged in any dispute with Salford Professional Development Limited or any of our Clients, Unitemps also reserves the right to remove that Temporary Worker from its register, pending the dispute resolution.

18. Eligibility to work:

    a) It is your responsibility to ensure that you have the necessary visas, licences, permits and/or qualifications in order to carry out any Assignment and to work in the United Kingdom. You must provide Unitemps, upon request, with such information and documentation as may reasonably be required to verify your identity, right to work in the United Kingdom and any relevant licences, permits, registrations or qualifications. You must immediately notify Unitemps of any change to your immigration status, right to work, visa conditions, licences, permits, registrations or qualifications that may affect your ability to undertake an Assignment.
    b) We reserve the right to terminate this Agreement, withdraw or terminate any individual Assignment or to remove you from our register, if you fail to provide us with satisfactory evidence of your right to work, licences, permits, registrations or qualifications when requested, fail to provide satisfactory references or otherwise fail to provide documentation required to verify your eligibility to work in the United Kingdom.
    c) Where you are applying to carry out work regulated by the Safeguarding Vulnerable Groups Act 2006, the Assignment is made subject to verification from the Disclosure and Barring Service (DBS) and Unitemps that you are eligible to undertake such work.
    d) You are obliged to notify Unitemps as soon as practicable in writing of any subsequent additions to your criminal record from the date of the disclosure from the Disclosure and Barring Service until the termination of the Temporary Assignment.

19. Data Protection:

We shall comply at all times with the Data Protection Legislation, and any relevant replacement/subsequent European and/or UK privacy legislation, for the purposes of performing our obligations and exercising rights under the terms and conditions stipulated above, and shall not perform our obligations under this contract for services in such a way as to cause breach of any of our obligations under the Data Protection Legislation.

You acknowledge that we must process personal data about you in order to properly fulfil our obligations under these terms and as otherwise required by law in relation to your Assignments in accordance with the Data Protection Legislation. Such processing will principally be for personnel, administrative and payroll purposes.

You warrant that in relation to these terms and conditions, you shall comply strictly with all provisions applicable to you under the Data Protection Legislation and shall not do or permit to be done anything which might cause us or the Client to breach the Data Protection Legislation.

These conditions will be augmented with a specific Assignment Statement via email or letter outlining reporting instructions and remuneration for each new Assignment or engagement that you are offered.

These terms and conditions of business are valid from 1 October 2026 and supersede all previous terms and conditions of business. Unless notified otherwise, these terms are assumed to be accepted by the Temporary Worker.
