

Unitemps Conference and Annual Awards

Thank you for attending the Unitemps Annual Conference last week, it was a pleasure having you there. We hope that you enjoyed our varied programme, from the disability awareness presentation and operational workshops, through to learning more about effective coaching techniques and harnessing resilience.

Throughout the last year, we have adapted to one of the most challenging experiences of our lifetimes, yet the results generated by the network have been truly outstanding. With this in mind, we would like to congratulate this year's winners on their achievements and extend our praise to all members of the Unitemps network.

It has been a year like no other, and we look forward to visiting you in-person very soon.
